Principal's Report: (Mrs Unity Taylor-Hill)

- **Warringah Freeway upgrade.** Unity has monthly meetings with Department of Transport. 3 Directors from Department of Education to also attend. Phase Warringah Freeway. Early weeks is affecting the school in the next few weeks. They weren't upfront in early meetings. Thanks to Rhys for pushing this they have now been more open. Utility works need access so heavy vehicles only access is near school. They have agreed they won't have Heavy Vehicles at drop off and pick up or OOSH times. Will also have someone doing traffic management. Footpath will be closed on ANZAC Ave so have requested a safe path to access the school. The Main works – contractor still to be signed so only talking project by project. Recognise incredible work that Rhys and the P&C has been doing behind the scenes which has enabled Unity to advocate for the school.
